# Alta qualità per grandi prestazioni

Ami Mariner by Youvella.

Importazione e distribuzione esclusiva per l'Italia: **Mareblu s.r.l.**

Il marchio **Mariner**, prodotto dall'azienda coreana leader nella produzione di ami per la pesca commerciale, offre una gamma di ami altamente qualificata.

La fabbrica è dotata di **macchinari all'avanguardia** che consentono di produrre una vasta gamma di ami sotto il controllo di uno staff di tecnici con esperienza ventennale. L'utilizzo di materie prime di prim'ordine, lo speciale trattamento a caldo anticorrosione, il tutto controllato da un sistema computerizzato, consente di immettere sul mercato prodotti altamente qualificati ed estremamente affidabili, con un **rapporto qualità/prezzo molto competitivo**.

Con l'acquisizione della **distribuzione esclusiva del marchio Mariner**, Mareblu propone una gamma completa di ami professionali e sportivi di alta qualità a prezzi molto interessanti. Una **costante disponibilità di magazzino** consente di effettuare le spedizioni mediamente in **3/4** giorni lavorativi.

## High quality for great performances

Mariner Brand, made by the leader Korean company in the production of hooks for commercial fishing, offers a range of highly qualified hooks.

The factory is equipped with advanced machineries that allow the production of a wide range hooks under the control of a staff of technicians with twenty years of experience. The use of first-rate raw materials, the special anti-corrosion hot treatment, all controlled by a computerized system, allow us to place highly qualified and extremely reliable products on the market, with very competitive price in relation to quality.

With the acquisition of the mariner brand distribution, Mareblu offers a complete range of high quality professional and sport fishing hooks at very attractive prices. A constant availability of stock allows us to make shipments in most cases in **3/4** working days.
